## **Commitment**

WE-R1 strives to teach each player the importance of hard work and commitment. We believe the development of a solid work ethic at young age greatly improves an athlete's chances of playing the sport at a higher level. In order to implement this we ask that all players and parents do their best to abide by the following rules:

- All players are expected to be on time and attend every training and practice sessions.
- Notify your coach or team representative if you plan to miss a training, practice or a tournament.
- All players need to meet 30 minutes before every game and check in with their coach.
